

We Believe In The Providing Quality Not Just First Time....But Every Time

WHO WE ARE ?

GlobeTrek Engineering Corporation is a Trusted Manufacturer , Supplier & Exporter of Civil Engineering & Scientific Laboratory Equipments.

It was started in 2010 with the trading of just 5 products but today we are involved in the Export of more than 1000's of Laboratory Equipments. We have diversified our range of products from Soil testing equipments to Rock , Concrete , Cement , Highway , Aggregate , Metal, Bitumen , Survey & Oil-Petroleum Testing Equipments in just 5 years & We are still in the progress for Renewable Energy Equipments.

Vision

- *Be the Trusted Source Of Qualitative Laboratory Products With Prompt After Sales Service .
- *To develop our range, we make use of finest quality metals as well as components that are sourced directly from the trusted vendors of the industry.

Mission

- *To provide complete range of Equipments to Set up a new Scientific & Engineering Laboratory
- *To provide Advance Product on value-for-money basis.

Core Values

We will maintain our iconic status as a unique and trusted Organization by:

- *Always providing the human touch in all our interactions with Clients
- *Being responsive & reliable
- *Demonstrating the highest order of integrity, honesty, transparency and professionalism

Strategic Goals

- *Provide any laboratory equipment at door step of customer within minimum Time at the most competitive price in the market.
- *Develop a strong Network of Service Center across the Globe for our Products
- *Develop, implement and operate a system of standards with accountability for performance
- *Develop a scalable and flexible technology infrastructure to support our operations
- *Be the preferred, trusted and reliable source of Laboratory Equipments

WHY CHOOSE US?

Quick Response through mails or calls

Competitive Price without losing quality standards

Complete Technical Support

24x7x365 days Sales and Service

Customized Developments

Smooth processing of orders

Calibration Certificates from Labs

Installation back up for Complete Labs

On Time Deliveries

Cash Back Offer for late deliveries

Wide range of rare products

Experienced Team of Engineers

Commitment towards Customers

Experience of Handling Bulk Export Shipments
